AGENDA

- 7:00 Meeting opened by Gary Fritz
- Pledge of Allegiance
- Presentation for this evening will be by Mike Vogler on Cabrillo Files
- Mike Maffenbeier (N9MZF) prayer
- Mission Statement: “To recruit, foster, educate and mentor amateur radio.”
- Indiana QSO Party comments: Mick (KD9RPS) had a good time and made 223 contacts in 61 counties. Mike V. made 128 contacts in 50 counties and received 8320 points.
- Field day: The Club will be using 4H shelter house, getting together around noon, as in the past. We currently have no idea how many are coming and when. There will be 24-hour operation until Sunday 2pm. At night it’s better so it would be nice to have people work night shifts. Everybody should indicate what radios they are bringing. Maybe try a 2-meter net simplex. Dates are June 25/26, 2022
- Hamvention: Jeff (KM4QLA) is going, Linus (N9NAU) is as well.
- William Abreu announced he is taking a new job in another area and will be moving. He expressed his appreciation to the club in helping him to get started in amateur radio and make progress in getting his amateur radio license, an effort he plans to complete.

Friday, May 27, 2022

- Ross Halvorsen (KD9QCN-Treasurer and Secretary) indicated to Jeff (KM4QLA) that he will be moving to Evansville and will no longer be able to serve as Secretary/Treasurer. Starting the June meeting, the Club will need to find a replacement. He thanks the Club and graciously resigns.

BIRTHDAYS

- None this month

TECHNICAL OR OTHER PRESENTATION

- Cabrillo Files by Mike Vogler (KA9GDW)

ADJOURN

John Butler (K4PSE) made a motion to adjourn the meeting
Ron Hickman (KD9KNB) seconded that motion
8:06PM
