- The technology is really exciting and fascinating.
- *I'm always striving to learn and look at new things.*

I'm subscribed to QST and On The Air magazines for information I can learn from

ARRL Audio News

I also like listening to podcasts especially ARRL Audio News. Plus, there's many other podcast such as Ham Talk Live and Ham Radio 2.0.

A night cityscape with a purple grid overlay. The grid consists of concentric circles and radial lines, creating a mesh-like pattern over the city lights. The city lights are in various colors, including blue, green, and red, and are scattered across the lower half of the image. The text is centered in the upper half of the image.

**These are all the reasons I
love Amateur Radio!**

Online Radio & Podcast Streaming Platforms

By Craig Vogler

Online Radio & Podcasts

- Streaming online radio is LIVE radio station audio streamed over the internet
- Podcasts are pre-recorded shows (including music) that listeners stream at their convenience or download to listen to later.

Podcasts Offer MUCH More Than Music

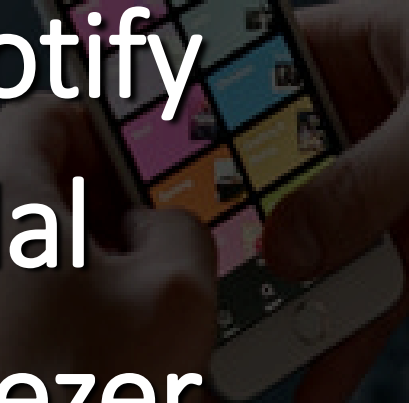

They also include:

- News
- Sports
- Business
- Interviews
- True Crime
- Political
- Self-improvement
- Comedy
- History

The background features a dark blue field with concentric white circles representing sound waves. Several musical notes in shades of blue and green are scattered across the scene. Large, overlapping, semi-transparent shapes in blue, purple, orange, and green are layered behind the text. Thin white lines form a complex, overlapping pattern of loops and curves. On the right side, a vertical bar chart with yellow and green bars is visible.

You Can Also Select Radio Genres

The screenshot shows the iHeartRadio website's genre selection page. At the top, the iHeart logo is on the left, followed by an 'Upgrade' button. The navigation menu includes 'For You', 'Your Library', 'Live Radio', 'Podcasts', 'Artist Radio', 'Playlists', 'Genres', and 'More'. A search bar and a user profile icon are on the right. The main content area features a dark background with a concert scene. The text reads: 'Tell us all the genres you like. We'll suggest stations just For You.' Below this is a grid of eight genre cards, each with a colored background, a circular image of an artist, and a checkmark icon. The genres are: Top 40 & Pop (pink), Country (yellow), Hip Hop (purple), R&B (dark purple), Classic Rock (red), Latinx (magenta), Oldies (grey), and News & Talk (blue). At the bottom center is a blue 'Get Stations' button.
