

PVARC Net Control Procedures Review

Agenda

- Using the Net Preamble
- Filling out required information
- Submitting the completed form

**Refresher for our current
Net Control Operators
&**

**Overview for other members
who may want to join our PVARC
NCO team**

VALUABLE EXPERIENCE if you ever
have to serve as Net Control
during an emergency, disaster,
or special event

Current Net Control Operators

- Mike Vogler, KA9GDW
- Jody Denning, KC9YIM
- John Butler, K4PSE
- Linus Mann, N9NAU
- Phil Smith, KB9IRT
- Ron Hickman, KD9KNB
- Gary Fritz, WB9LIB
- Ryan Bratton, KD9CJV

***Thanks to all
EIGHT net control
operators!***

**With EIGHT net control operators
each only has to run the net
ONCE every EIGHT weeks!**

PVARC members are encouraged to participate in our Net Control Program. Just let us know if you are interested.

Nets

The Patoka Valley Amateur Club conducts a weekly net on the 147.195 MHz (107.2 PL) RACES repeater in Jasper, IN on Monday evenings at 7:30 PM ET.

Meetings

The Patoka Valley Amateur Club meets on the third Tuesday of every month at the Eagles Club, 708 E 6th St, Huntingburg. Social hour and a meal begins at 5:30 PM ET and the meeting starts at 6:30 PM ET. Anyone interested in amateur radio is invited to attend.

Schedule

- **Dec 19, 2023** – Christmas party
– Includes a presentation covering Winter Heat contest procedures & review of PVARC Net Control procedures.
- **January 16, 2024** – PVARC Meeting
– Includes a presentation covering the 2024 PVARC presentation program.
- **February 20, 2024** – PVARC Meeting
- **March 19, 2024** – PVARC Meeting

Club Officers:

Mike Vogler, President (KA9GDW)

Calvin Mitcham, Secretary Treasurer (KE8ICE)

Ron Hickman, Vice President (KD9KNB)

Gary Fritz, Director of Presentations (WB9LIB)

**Always use the latest
version of the Net
Preamble**

Fill in all required information

PATOKA VALLEY AMATEUR RADIO CLUB KD9LLH NET LOG

Revision of October 25, 2023: Date: December 18, 2023 Time: 7:30 PM

(Blue text does not need to be read to the net attendees. It is for info only. Please read thru before net.)

Introduction

Calling all hams, calling all hams. Calling all hams, this is the Patoka Valley Amateur Radio Club 2m net.

This is WB9LIB Net Control operator for this session of the net. My name is Gary located in Ferdinand

Emergency Use

This net uses the KB9LHX repeater on 147.195 + offset, PL tone 107.2 and main EMA.

If at any time during our net operations this repeater is activated for emergency use stand down.

At this time, I'll will take check-ins from any mobiles leaving the area. Please call

N9MZF, N9UIE

At this time, I'll commence with roll call of Patoka Valley Amateur Radio Club members.

Question of the week? Ask a question of the members on a topic of your choice.

When did the first transatlantic amateur radio transmission take place?

NOTE: ck = place a check mark for check ins

Fill in all required information

Additional
Check-ins

This completes roll call of Patoka Valley Amateur Radio Club members. Others wishing to check-in at this time, please call now with your call sign phonetically, name and location. (Thank them and ask for comments) (be proactive and interested)

[Redacted area]

Remember to Identify per FCC rules

ANNOUNCEMENTS:

NCO: List any announcements you've researched and provided by other clubs with the net (<https://patokavalleyarc.org/>) before the net and download the bulletin board PDF. List any announcements you will need to inform net attendees and other listeners about ham radio shop, VE testing, general club news, special events, etc.

THE CLUB AND NET PURPOSE are to Foster, Educate and Mentor amateur radio operators. The net is held Monday night at 7:30 eastern time. On the third Tuesday, the Patoka Valley Amateur Radio Club meets at the Eagles Club, 708 E 6th St, Huntingburg at 5:30 PM eastern time for food and fellowship. The club meeting is at 6:30 pm. All are invited to attend as well as all persons interested in the hobby.

CHECK OUT THE PVARC WEB SITE at: PATOKAVALLEYARC.ORG for additional information. Follow and like us on the Patoka Valley Amateur Radio Club Facebook (TM) page.

Trading post – ask if anyone has amateur radio equipment for sale.

[Redacted area]

Last call – Are there any final check-ins before we close the net?

[Redacted area]

This concludes this session of the Patoka Valley Amateur Radio Club Net. I want to thank all who checked in with me this evening. I wish everyone 73 and a good evening. I will close the net at (time) and return the repeater to normal use. This is (call sign) 73.

PS: If you can't make your scheduled net, please ask someone to take your place. When you are finished with net and this filled-out form is downloaded and saved on your computer, click the **SUBMIT FORM** button below to return it to us for our club records. You can also manually email this completed form to mvogler1@frontier.com and cc gfritz@psci.net.

To submit this form, first download the PDF to your computer. Then open it up and click:

NCO Audio & Signal Quality

NCO Audio & Signal Quality

- Please monitor your signal to insure your audio is clear and not overmodulated
- The 147.195 MHz repeater can sound VERY distorted during over modulation
- Occasionally there are reports of distorted audio or sounding off frequency

Any Questions?

The background is a complex digital pattern in shades of blue. It features several concentric circles that create a tunnel-like effect, leading towards a bright blue light source at the center. The circles are composed of fine, dotted lines. In the foreground, there are various geometric shapes and lines, including a prominent 'X' shape formed by intersecting lines, and other circuit-like patterns. The overall aesthetic is futuristic and technological.

Thank You
